Professional resume

Hello! I'm a Software Engineering graduate in the process of obtaining my degree, with a strong passion for technology and innovation. I am eager to apply my academic knowledge to real-world applications. I am hardworking, communicative, and committed, looking to kickstart my career in the tech industry. My academic journey and hands-on experiences have equipped me with a solid foundation in various aspects of software development, and I am excited to contribute and grow in a professional setting.

Experience

Xolotl Creative Labs, 2024 – Junior Software Developer

- **Project: Development of a Marketplace application.**
  - Development of a mobile application for a digital commerce space that facilitates the sale of products, allowing users to buy and sell efficiently.
- **Responsibilities:**
  - Develop the mobile application using Android Studio, ensuring an intuitive and smooth user experience.
  - Collaborate with the backend team to integrate APIs and ensure data synchronization between the mobile application and the server.
  - Participate in weekly Scrum meetings and collaborate in sprints to ensure the continuous delivery of features and improvements.
- **Technologies and Tools:**
  - Programming Languages: Java, Kotlin.
  - Tools: Android Studio, Git for version control.
  - APIs and Services: RESTful APIs for communication with the backend server.
  - Methodology: Scrum for agile project management.

Education

Software Engineering, Computer programs, **2023**

Polytechnic University of Pachuca - Hidalgo

- Overall grade point average: 9.2.
- Professional Certificate Meta iOS Developer
- Professional Certificate Google IT Support
- Social Networks Course
- Leadership Course
- User Experience Designer Course
- Huawei HCIA-AI Course

Aptitudes

- Teamwork facility
- Organization
- Project management
- Respect and Honesty
- Initiative

- Problem resolution
- Proactive person
- Attention to detail
- Creativity and Originality
- Leadership

Languages

Spanish: Native language

English: B2

High midium

Technical skills
